SAN JUAN ISLANDS WITH STOP IN FRIDAY HARBOR via VICTORIA CLIPPER III

A Fully Narrated Scenic Cruise from Seattle

You'll board the Victoria Clipper III in the morning at downtown Seattle's Pier 69 and cruise out of Elliott Bay going north through Puget Sound, also known by the native name Salish Sea. Following the east coast of Whidbey Island, view the Cascade Mountains while watching an assortment of vessels including small sailboats and freighters from around the world.

Passing through Saratoga Passage, you will have the unique experience of traversing scenic Deception Pass. Continuing through Rosario Strait and entering the San Juan Archipelago, you'll wind through channels and islands, possibly spotting whales, porpoise, eagles and other wildlife.

These islands are home to orca whales, blacktail deer and over 100 pairs of bald eagles. Your Naturalist will identify special points of interest throughout the trip.

Friday Harbor

In a few hours, you'll arrive at picturesque Friday Harbor on San Juan Island. Enjoy about 5 hours ashore to lunch on local seafood and soak up local culture, as well as shop, browse the town's galleries, stop by the fascinating Whale Museum or enjoy Clipper's own 2.5 hour Whale & Sealife Search, allowing about 2.5 hours ashore, following the excursion.

Finally, you'll return to Seattle on a more direct route, cruising past Port Townsend and enjoying more of Washington's 1,000 miles of diverse scenic coastline.

Options include an overnight on San Juan Island, or a connecting trip to Victoria or Vancouver, BC. **See inside for details on several overnight package options.**

San Juan Islands listed #3 on Lonely Planet's Top 10 U.S. Destinations for 2013.

The San Juan Islands ranked #10 on Travel + Leisure Magazine's 2014 World's Best Awards, Top Islands in Continental U.S. and Canada.

CLIPPER'S WHALE & SEALIFE SEARCH

97% sightings in 2014

This 2.5-hour tour is our own, so we can offer it at an excellent value. Compare to similar tours at twice the price!

The San Juan Islands are world-renowned for both the resident pods of orca whales, as well as the migratory pods that feed in the area. The Islands are also teeming with other wildlife and sealife that call the San Juans home.

Join us aboard the triple decked 200-passenger Victoria Clipper III to enjoy outdoor viewing, or stay in and enjoy through large viewing windows. For your comfort and enjoyment, food and beverages, restrooms, binocular rental and a trained Naturalist are available on board.

The Clipper Whale & Sealife Search begins in Friday Harbor.

★ During the whale and sealife search, your Naturalist will help you to understand the behaviors demonstrated by whales and other wildlife, as well as the natural history about diet, habitat and factors affecting the long-term survival of the animals you see. In many cases, the individual whales seen are known to our Naturalists and can be identified by distinctive markings. Whenever possible, your Naturalist will identify the specific whales as they are seen.

Keeping in close contact with other vessels, the location of any whales in the area can be determined and the Victoria Clipper III's speed allows us to reach areas with the best viewing.

★ After 2.5 spectacular hours, the boat docks back in Friday Harbor, so you may enjoy the rest of your time on San Juan Island.

Finish up your day in town, before returning to Seattle, or spend the night and continue your adventure the following day!

★ **Denotes the Naturalist Program and Friday Harbor stopover, features unique to Clipper.**

As a member of the Pacific Whale Watch Association of the Northwest, we have great respect and admiration for these magnificent animals and are committed to maintaining compliance with established whale watching guidelines.

San Juan Islands TOURS FROM SEATTLE TO SAN JUAN ISLANDS

Once a mountain range, now an archipelago, the 100-million-year-old San Juan Islands feature some of the most spectacular scenery in the Northwest. Depending on the tides, the San Juans number anywhere from 428 to 743 islands. Only 172 islands have received names, including the four largest: Orcas, San Juan, Shaw and Lopez. World-renowned for both resident pods of orca whales and migratory pods that feed in the area, the San Juan Islands also teem with other wildlife and sealife. Minke whales, humpback whales, bald eagles, the playful Dall's porpoise, blacktail deer, seals and otters are just some of the creatures you might spot during your trip. Add to these wonderful tidepools full of starfish and sea anemones, wind-swept madrona trees clutching hillsides, and terrific inns and resorts, and it's easy to see why the islands are such a popular retreat for visitors to the area as well as residents of the Northwest.

SAN JUAN ISLANDS DAY TRIP 1 Day

Depart from downtown Seattle's Pier 69 aboard the 200-passenger Victoria Clipper III. You will head north on a scenic cruise through Deception Pass enroute to quaint Friday Harbor on San Juan Island and the start of your 2.5-hour Whale and Sealife excursion. An onboard Naturalist will help spot and identify the orca whales and other sealife and wildlife while you view from one of 3 decks. After arriving back into the Port of Friday Harbor, you will have just over 2 hours to shop, browse or grab a bite to eat in this seaside town of about 1,800 residents. Return to Seattle that evening.
